

Guideline to CU GRADUATE SCHOOL THESIS GRANT

This grant is for:	<ul style="list-style-type: none"> Graduate student Dissertation/Thesis proposal must be approved by the board committee of faculty/college/equivalent. 			
Thesis Expense	PhD: 90,000 THB - Chemical and Scientific Materials Research/Thesis 50,000 THB - Non-Chemical and Scientific Materials Research/Thesis <hr/> Master: 50,000 THB - Chemical and Scientific Materials Research/Thesis 30,000 THB - Non-Chemical and Scientific Materials Research/Thesis			
Expense Claim	<ul style="list-style-type: none"> Expense Claim is as approval and receipt is a must. In case of research based on chemical substances, chemical record on Chemtrack program is necessary for claiming. 			
Output Commitment: depending on the thesis expense obtain	PhD in Science Area	PhD in Humanity/Social Science Area	Master in Science Area	Master in Humanity/Social Science Area
	<ul style="list-style-type: none"> Master's student or his/her advisor must submit manuscript to Graduate School within 15 days after thesis submission and a published/accepted paper within one year after graduation. PhD student/advisor must submit a published/accepted paper before graduation. **The paper must contain student recipient as first author, advisor as corresponding author and CU affiliation 			
Above 70 % of maximum	International journal in Level B+ or higher	International journal in Level B or higher	Journal/proceedings in Level B or higher	Journal/proceedings in Level C+ or higher
Lower than 70% of maximum	International journal in Level B or higher	Journal in Level C+ or higher	Journal/proceedings in Level C+ or higher	Journal/proceedings in Level C or higher
Quality Level of Publication	<ul style="list-style-type: none"> Level A for international journals in ISI/SCOPUS/SJR database with Q1/Q2 ranking Level B+ for international journals in ISI/SCOPUS/SJR database out of Q1/Q2 ranking Level B for other endorsed international journals (Valid Official Announcement), or proceedings in ISI/SCOPUS/SJR database Level C+ for national journal in TCI database with class 1 Level C for national journal in TCI database with class 2 or others endorsed national journal or international proceedings In the case that: i) Proceedings published in a form of a special issue in an endorsed journal are classified as "Journal", and ii) Publication types for proceedings in ISI/SCOPUS database are classified as stated in ISI/SCOPUS/SJR			
Duties of Thesis support Recipient	<ul style="list-style-type: none"> Graduate school will consider consecutive applicant under supervision of any advisor who has achieved output commitment for at least 50% of graduated recipients The grant has to return to Graduate School if advisor/recipient receives any other financial support covering thesis expense. In case of chemical-based research, recipient must follow University Safety Standard strictly by recording information on ChemTrack/WasteTrack database. After recipient's graduation, the advisor must ensure that his/her advisee has also published his/her paper on Chulapedia with an applicable form which would educate others in the only thesis topic, and submit the relevant evidence within three weeks after graduation. Advisor/student recipient is responsible for publication as stated in application/agreement. 			
Acknowledgements	Recipient must acknowledge in any paper as follows: "This thesis is supported by Graduate School Thesis Grant, Chulalongkorn University"			

If any information in this Guideline conflicts to Thai version, please follow the Thai version of the official Scholarship. Announcement dated on 15th September, 2014.

(Associate Professor Amorn Petsom, Ph.D.)
Dean of Graduate School
