

Guideline for writing Statement of Purpose (for international Master/Ph.D. degree applicants)

The statement of purpose shall include the following points.

- Which research clusters of CUEE are you interested in and why?
- What kind of research are you interested in (at least 2 paragraphs)?
- Why you want to study at Chulalongkorn University?
- How our CUEE course will help your future career?
- The name of faculty member agrees to endorse your application?
