

กำหนดการปฐมนิเทศนิสิตใหม่ระดับบัณฑิตศึกษา ปีการศึกษา 1/2568
Orientation for New Graduate Students – Academic Year 1/2025
วันพุธที่ 6 สิงหาคม 2568 เวลา 09.20-11.30 น.
Wednesday August 6th, 2025 Time: 09:20-11:30 a.m.
ณ ห้องประชุม 210 ตึกบุญรอดฯ ชั้น 2
Meeting room No.210 Boonrod Binthasan Building, 2nd floor

09:20 – 09:30 a.m. (10 mins)	ลงทะเบียน (Registration)
09:30 – 09:45 a.m. (15 mins)	กล่าวต้อนรับโดย หัวหน้าภาควิชาวิศวกรรมไฟฟ้า : รศ. ดร.เชาวนิต อัสวกุล Welcome remarks and CUEE Introduction: Assoc. Prof. Dr. Chaodit Aswakul, Dept. Head
09:45 – 11:00 a.m. (75 mins)	แนะนำข้อมูลหลักสูตร แผนการศึกษา เงื่อนไขการสำเร็จการศึกษา และระบบ สารสนเทศบัณฑิตศึกษา (e-graduate system) โดย ประธานหลักสูตรระดับบัณฑิตศึกษา : รศ. ดร.สุวิทย์ ภิระวิทยา Introducing Graduate Programs, Research Cluster, Course Requirement and e-graduate system by Assoc. Prof. Dr. Suwit Kiravittaya
11:00 – 11:30 a.m. (30 mins)	Q&A Session + New graduate students meet advisors

"CUEE"

This is not a kind
of thunder sign.

It is a part of a gear!

CUEE POSTGRADUATE STUDENT ORIENTATION

Department of Electrical Engineering,
Faculty of Engineering,
Chulalongkorn University

MEETING ROOM, 9:30-11:30 6 AUGUST, 2025

AGENDA OVERVIEW

1

Welcome Remarks & CUEE Introduction

2

CUEE Graduate Programs (Master & Ph.D)

3

Research Clusters -> Course Requirement

4

E-Graduate System (Hand-On Workshop)

5

EEPSA

6

Q&A and Meet your advisor

HELLO!

I am Assoc. Prof. Dr. Suwit Kiravittaya
Chair of Postgraduate Curriculum
Administrative Committee

Congratulation on your
admission exam result and
welcome to Chulalongkorn
University!

CUEE Team

ABOUT CHULALONGKORN UNIVERSITY

For over a century, Chulalongkorn University is committed to be at the forefront of higher education, delivering quality education and professionalism.

As Thailand's first institution of higher learning, Chulalongkorn University has dedicated itself as the center for academic learning and professional excellence. The university's mission and commitment to public service uphold the visions of the university's founder, King Rama VI, who established Chulalongkorn University as a tribute to his father, King Rama V.

Whether through the pursuit and development of knowledge, or the application and dissemination of learned concepts, Chulalongkorn University works to empower students with professional know-how and research skills, as well as preserve the arts, culture, and values. Added to the academic learning is the university's commitment to instill in Chula graduates a sense of morality, social responsibility, and service to society.

As Thailand's leading university, Chulalongkorn University aims to be a model institute of education, setting the standard as a university of innovations for society. The university focuses itself on three social development core principles: preparing future leaders, developing impactful research and innovations, and advocating social sustainability.

Chulalongkorn University has 19 faculties, and 24 schools, colleges, and institutes, and 7,996 faculty members. Currently, there are over 40,000 students, including more than 28,000 undergraduate and 12,000 postgraduate students.

*Source: Office of Strategy Management and Budgeting, Academic Year 2022

CU Strategies for development:

- Future leaders
- Impactful research & innovation
- Sustainability

SUSTAINABLE DEVELOPMENT GOALS

CHULA ENGINEERING
Innovation toward Sustainability | ACTN@W

วิสัยทัศน์ (VISION)

"เป็นผู้นำด้านนวัตกรรมทางวิศวกรรม
เพื่อเสริมสร้างประชาคมโลกที่ยั่งยืน ภายในปี 2573"

STRATEGIC OBJECTIVE

1. พัฒนาหลักสูตรเพื่อส่งเสริมการเรียนรู้ตลอดชีวิตของผู้เรียน
2. สร้างสรรค์งานวิจัยและนวัตกรรมเพื่อการพัฒนาที่ยั่งยืน
3. พัฒนาระบบการบริหารจัดการที่โปร่งใสและมีประสิทธิภาพ
4. พัฒนาและแสวงหาบุคลากรที่มีสมรรถนะหลากหลาย มีความยืดหยุ่นและรองรับการทำงานท้าทาย
5. พัฒนาเครือข่ายความร่วมมือเพื่อเป็นองค์กรที่รับผิดชอบต่อสังคม

ค่านิยม (CORE VALUES)

N
NUDGE INNOVATION
กระตุ้นสร้างนวัตกรรม

O
OVERCOME CHANGES
ก้าว 'ไป' การเปลี่ยนแปลง

W
WORK TOGETHER
พร้อมร่วมแรงสู่ความยั่งยืน

CHULA ENGINEERING
Innovation toward Sustainability | ACTN@W

Faculty of Engineering is one of the oldest and biggest faculties in Chulalongkorn University.

Majority of CUEE graduate students is in Master (Research-Based + Coursework) Program.

YOUR ROLE AND RESPONSIBILITIES

Welcome aboard as our new graduate student. In this dynamic roles of university, faculty, and department, you'll be at the forefront of our up-to-date educational systems.

Key Steps:

- **Know your cluster and study program.**
(You might ask your advisor if you still don't know).
- **Study the condition to graduate within the requirement of your specific program.**
There are some details: Course works, English language test, Thesis proposal exam, Present or publish the thesis work, thesis defense & submit the final thesis.
- **Ask for Graduation.** Dept. -> Faculty -> University. (Too early to go into detail.)

CUEE Research Clusters

Bioelectronics (BIO)

Power and Energy – PEn

Data Analytics (DTA)

Control & Embedded Systems (CES)

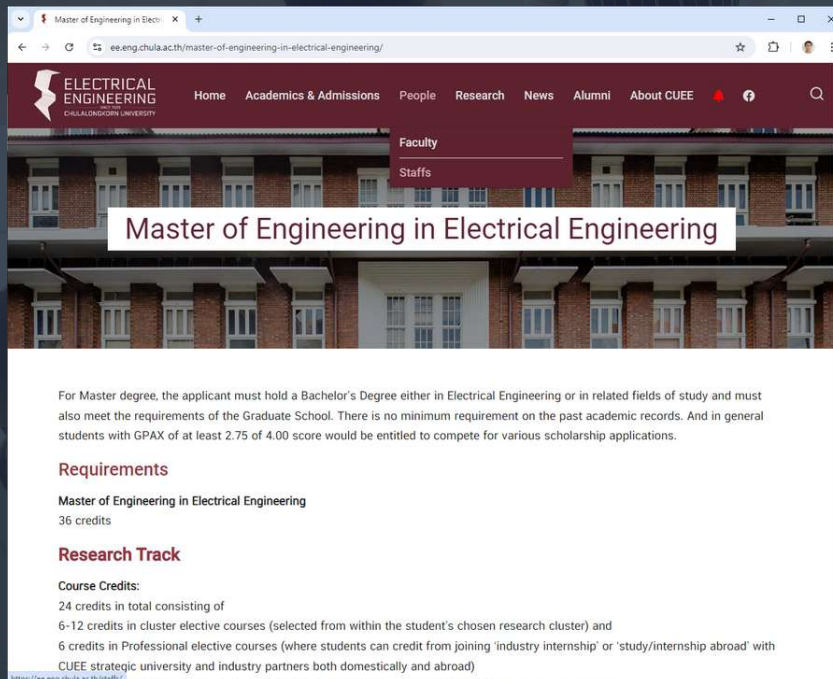

Advance Materials and Devices (AMD)

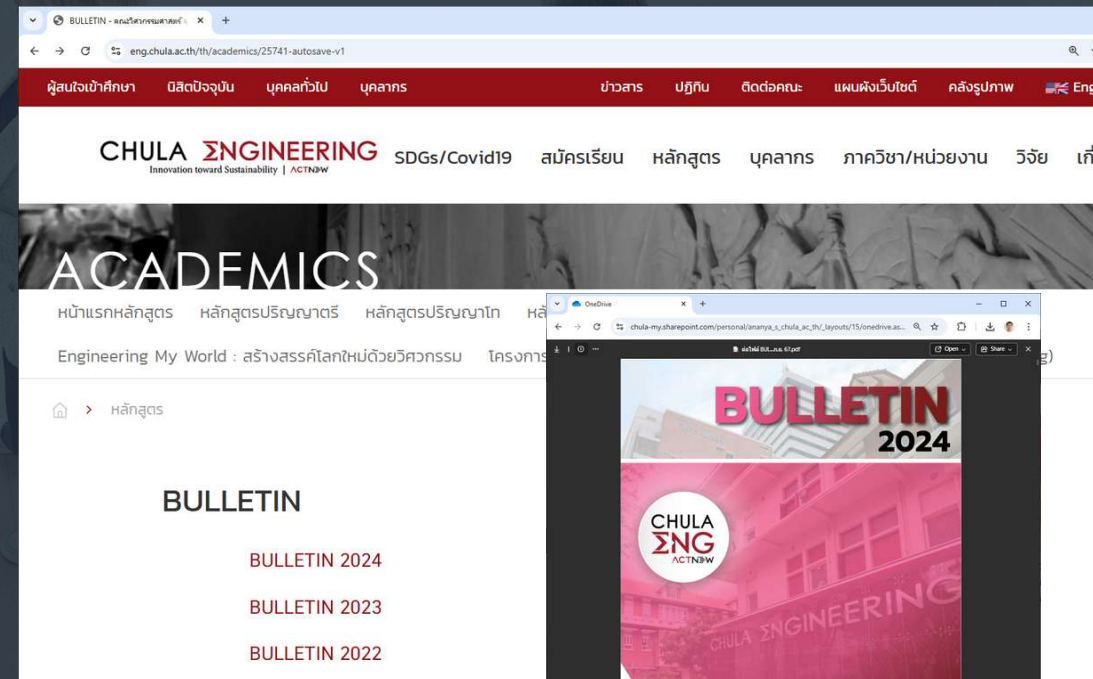

**Telecommunication, Networking
and Systems – TNAS**

CUEE Program Overview

The screenshot shows the 'Master of Engineering in Electrical Engineering' page. The header includes the CUEE logo and navigation links: Home, Academics & Admissions, People, Research, News, Alumni, and About CUEE. A dropdown menu for 'Faculty' and 'Staffs' is visible. The main heading is 'Master of Engineering in Electrical Engineering'. Below it, a paragraph states: 'For Master degree, the applicant must hold a Bachelor's Degree either in Electrical Engineering or in related fields of study and must also meet the requirements of the Graduate School. There is no minimum requirement on the past academic records. And in general students with GPAX of at least 2.75 of 4.00 score would be entitled to compete for various scholarship applications.' The 'Requirements' section lists 'Master of Engineering in Electrical Engineering' with '36 credits'. The 'Research Track' section lists 'Course Credits: 24 credits in total consisting of 6-12 credits in cluster elective courses (selected from within the student's chosen research cluster) and 6 credits in Professional elective courses (where students can credit from joining 'industry internship' or 'study/internship abroad' with CUEE strategic university and industry partners both domestically and abroad)'. A URL is provided at the bottom: <https://ee.eng.chula.ac.th/staff/>.

The screenshot shows the CHULA ENGINEERING website. The header includes the CHULA ENGINEERING logo with the tagline 'Innovation toward Sustainability | ACTNOW'. Navigation links include: SDGs/Covid19, สมัครเรียน, หลักสูตร, บุคลากร, ภาควิชา/หน่วยงาน, วิจัย, and English. The main heading is 'ACADEMICS'. Below it, a paragraph states: 'Engineering My World : สร้างสรรค์โลกใหม่ด้วยวิศวกรรม โครงการ'. The 'BULLETIN' section lists: BULLETIN 2024, BULLETIN 2023, and BULLETIN 2022. To the right, a thumbnail image of the 'BULLETIN 2024' cover is shown, featuring the CHULA ENGINEERING logo and the text 'BULLETIN 2024' and 'FACULTY OF ENGINEERING CHULALONGKORN UNIVERSITY'.

Numbers of compulsory elective credits (6-12 credits) are different in each cluster! Ask (or confirm) with your advisor (or Khun Dao) if you are not sure!

Graduation Requirements for Master Degree

- Course requirements (see *new* Bulletin-2024)
which might differ from old Bulletin of past years!!
and your research cluster can issue *additional* requirements
- Thesis proposal (within 4 semesters)
- Thesis examination
- Minimum Publications: 1 paper in peer-reviewed journal
or 1 paper in conference with full paper included in
the conference proceedings
- English language test-score or courses passed by university
minimum requirements

Additional Requirements by Power & Energy (PEn) Cluster

Additional Requirements by Data Analytics (DTA) Cluster

Graduation Requirements for PhD Degree

- Course requirements (see *new* Bulletin-2024) which might differ from old Bulletin of past years!! and your research cluster can issue *additional* requirements
- **Qualifying examination**
- Thesis proposal examination (within 6 semesters)
- Thesis final examination (PhD VIVA)
- Minimum Publications: 2 journal papers (Research-Only Program) or 1 journal paper (Research & Coursework Program)
- English language test-score or courses passed by university minimum requirements

Additional Requirements about Journal Publication: Not in Beall's List (Predatory Journals/Publishers)

A screenshot of the Beall's List website, which is a resource for identifying potential predatory journals and publishers. The website has a clean, professional layout with a teal header and a dark grey sidebar. The main content area is white and contains a search bar, a list of potential predatory publishers, and a list of useful pages. The search bar is located at the top of the main content area and contains the text "Search for publishers (name or URL)". Below the search bar, there is a section titled "Potential predatory scholarly open-access publishers" which includes instructions on how to use the search bar and a list of links to various publishers. To the right of this section, there is a "Useful pages" section with links to various resources. At the bottom of the page, there is a "Conferences" section with a link to "Questionable conferences".

BEALL'S LIST
OF POTENTIAL PREDATORY JOURNALS AND PUBLISHERS

PUBLISHERS • STANDALONE JOURNALS • VANITY PRESS • CONTACT • OTHER

Search for publishers (name or URL)

Potential predatory scholarly open-access publishers

Instructions: first, find the journal's publisher – it is usually written at the bottom of the journal's webpage or in the "About" section. Then simply enter the publisher's name or its URL in the search box above. If the journal does not have a publisher use the [Standalone Journals](#) list.

All journals published by a predatory publisher are potentially predatory unless stated otherwise.

CUEE Student Grant for Academic Event Attendance

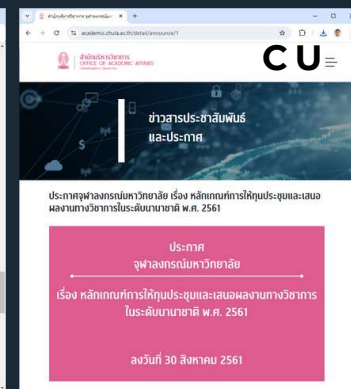

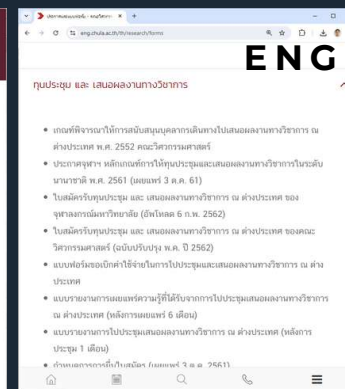

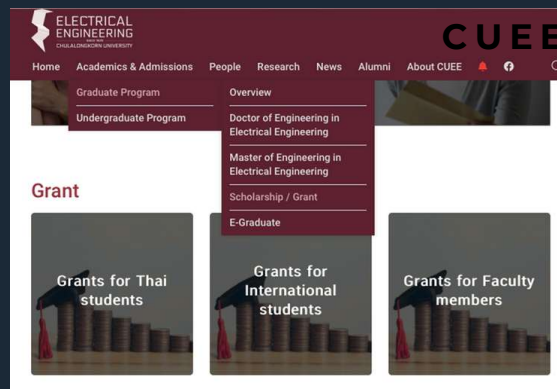

ECTI-CON 2025 organized by CUEE

At the Department Level

- Master/Doctoral students
- At least 1 time: up to 10,000 THB
- 2nd time: Support only for recipients of some CUEE scholarships
- Submit your request early (30 days before the 1st date of the conference)

At Higher Levels (Faculty & University)

There are other grants. One must ask or monitor any related announcements from them.

Required	Planned	Granted	Percent
38	26	0	0.00%

This web portal is intended as a guideline for helping CUET students to consult and plan their study. However, the students must consult with the bulletin of their academic year for final graduation criteria. And the students must consult with their thesis advisors for planning the study.

Department Requirement / Required Courses

	Course ID	Course Name	Credits	Year/Sem.	Grade
1.1 EE Compulsory					
	2102590	Research Methodology	2	<input type="text"/> / <input type="text"/>	
Thesis					
	2102814	Thesis	24	<input type="text"/> / <input type="text"/>	

Plan your “course checklist”
by consulting with your advisor.

Course Checklist Preparation

- For students who do not know your program yet (e.g. MEng in professional or research based), consult with your advisor to select your program. Then, inform CUEE department within week 1. After that, CUEE department will assign your chosen program for you in this course checklist page. ***Once selected, the program cannot be changed without difficulties. So be very careful.***
- Plan your “course checklist” by consulting with your advisor. Deadline is by week 2 of your semester (which is due also for course enrolments).
- If you want to change courses later but with the same chosen program, then you can always do that at next semesters, but again after careful consultation with your advisor.

Course Checklist **Cautions**

- Course enrolments are responsibility of students (not advisors, not department), by Chula regulation !!!
- By Chula regulation, max of 15 credits can be enrolled in semester 1,2 and max of 6 credits can be enrolled in semester 3 (summer semester). Students can request for enrolling beyond these credit limits ONLY IN THEIR LAST SEMESTER, for satisfying the minimum required credits for graduation.
- Past pitfalls:
 - MEng students not following course enrolment as S/U or grading according to BULLETINS
 - PhD students not enrolling in Dissertation or Seminar credits in some semesters
 - Students enrolling in wrong course IDs but with similar course names
 - Students enrolling to courses unintentionally, not attending classes and exams, and getting F consequently.

Course Checklist **Cautions**

**ELECTRICAL
ENGINEERING**
SINCE 1929
CHULALONGKORN UNIVERSITY

Announcement of the Electrical Engineering Department

Registration guidelines for Ph.D. students who have completed all required credits
for the seminar or dissertation courses but have not yet graduated

According to the Chulalongkorn University Regulations on Graduate Studies 2018, item 47, Ph.D. students who have completed all credits for the seminar courses required by the Ph.D. program but have not yet graduated **must register for the 2102894 Doctoral Dissertation Seminar every semester until graduation.**

In addition, according to the Chulalongkorn University Regulations on Graduate Studies 2018, item 50, master's degree and Ph.D. students who have completed all credits for thesis and dissertation courses but have not yet graduated **must register for thesis and dissertation courses without credits every semester until graduation.**

Welcome to all Thai and international graduate students to Chulalongkorn University! Hope you enjoy your time here, both in learning and in doing research on the topic you're passionate about. Wishing you success and that everything turns out just the way you hoped. If you ever run into any issues, including academic stuff, welfare, or even personal struggles feel free to reach out. I'm happy to help however I can.

EE Postgraduate Student Assembly (EEPSA)

THANK YOU

CUEE Team
